Weekly Fruit Tips Newsletter

**Weekly
Fruit
Tips**

THE ONE-STOP SHOP FOR
HOME FRUIT GROWERS

Welcome!

This week we're trying out a new format to make the newsletter more practical for fruit growers, starting with a list of "Jobs This Week". We're also bringing you more stories about how to look after your fruit trees each week, and you'll find the farm and co-op news down the bottom. Let us know here what you think, and happy growing!

Hugh and Katie

Jobs This Week

Here's our suggestions for the top 3 tips for what you should be doing for your fruit trees this week:

- this
- this
- this
- it needs to be the same length as story 3 to make the newsletter easy to read. Should it have a link to anywhere? I don't

WFT story 3 (blog) heading

Here's the beginning of this story, and then at the bottom there's going to be a link to www.mafg.com

Free Webinar

"5 Key Steps to Quick Success with Fruit Trees"

Date: Wednesday Nov 28
Time: 7.30 pm (AEST)
Cost: Free

Sign up for our Free Weekly Fruit Tips! You'll get weekly advice for your fruit trees, great photos, organic fruit tree solutions, special offers, stories from our farm, and a list of "jobs this week". Click [here](#) to go to the sign-up page.

NOTE: This unit is an extract from a weekly eclass of the Grow Great Fruit Home-Study Program, which means page numbers and some links and references may not apply to this unit. The Grow Great Fruit Home-Study Program includes full access to all Learning Modules, resources and one-on-one help for members. For more information, please click [here](#).
